CONSENT
<p><b>Consent statement:</b> You are invited to participate in a research study about a texting program for parents of preschoolers. After enrolling in the program, you will receive a few text messages per week starting in the 2015-16 school year. You also give Volunteers In Public Schools (VIPS) permission to collect the DSC (Development Skills Checklist) and DIBELS scores of the students enrolled in the project as well as report card grades. There are no risks associated with this study. The benefits which may reasonably be expected to result from this study are to get helpful information about supporting your child to do well in school. Please understand your participation is voluntary and you have the right to withdraw your consent or discontinue participation at any time without penalty. Your individual privacy and the confidentiality of the information you provide will be maintained in all work resulting from the study. If you have any questions or comments about this study you can contact Amy Domingo at 650-736-7794 or the Stanford IRB at 650-723-2480 or toll free at 1-866-680-2906. You can also contact Tiffany Temple at the VIPS office at 225-226-4700.</p>
