

NAME MOBILE

Materials:

- paper
- scissors
- crayons, markers, colored pencils
- string or yarn

Directions:

1. Print or write out the letters of your name, about $\frac{1}{4}$ page per letter.
2. Color and decorate each letter using the crayons, markers, and pencils.
3. Cut out each letter.
4. Starting with your first letter, put a hole on the bottom part of the letter. (For some letters it may have to be the middle of the letter)
5. For the next letter put holes on top and bottom.
6. For the last letter put the hole at the top only.
7. Cut the number of strings you need to connect your letters.
8. Thread the string through the holes and knot.
9. Connect all your letters.
10. On the first letter put a hole on both sides (top).
11. Put a string through one hole and then over to the next making a loop.
12. Hang your mobile.
